

Once again this year, the Season of Hope Toy Shop will provide new, unwrapped holiday gifts to any Sussex or Warren County family in need.

As in 2020, due to ongoing health concerns parents will not be permitted to shop but will instead complete a wish list for each child. Staff will then do their best to fulfill the wish list. This system worked very well last year.

The Toy Shop will be open ample days throughout November and December to provide toys to 2,000+ children. Parents may only come to the shop by appointment and must pre-register to receive an appointment. All registration will be done via phone call.

To register, call Project Self-Sufficiency at **(973) 940-3500**

YOU MUST REGISTER IN ADVANCE TO PARTICIPATE.

**When you call, please be prepared
with the following information:**

- **Current Address** — The Season of Hope Toy Shop is open to families in need who reside in Sussex or Warren County, New Jersey.
- **Contact Information** — Must provide a phone number and/or email address where we can reach you.
- **Child Information** — Provide the ages, birth dates and genders of all children under 18 years old for whom you wish to shop. Only the custodial parent or guardian of the child may register.
